FULLBACK
THE PROFESSIONAL PICK-UP
EZ-453NJ
FIAT
PROFESSIONAL

BUILT FOR YOUR WORK. AND FOR YOUR LIFE.

Ask it a lot: it will give you all it's got... and more. **FULLBACK IS THE FIAT PROFESSIONAL PICK-UP**. Agile, versatile and powerful, Fullback does not know the meaning of words like "rest" or "too much." That is because it was designed to take on even the biggest task with its **OVER 4 TONNES OF TOTAL LOADING CAPACITY: UP TO 3.1 TONS OF TOWING CAPACITY AND 1 TONNE OF PAYLOAD**. Furthermore, with its distinctive style and **SMALL STEERING CIRCLE (5.9M)**, Fullback is perfect in town as well.

FULL STYLE

WORK WITH STYLE.

FULLBACK attracts attention owing to its muscular and aggressive and at the same time soft and elegant lines. Its style reveals all the care and passion of Fiat Professional, resulting in a design conceived to be serviceable to your work.

FULLBACK IS AVAILABLE IN TWO VERSIONS WITH EXTENDED (4 seats) OR DOUBLE CAB (5 seats), and two trim levels: SX and LX. That is because professionalism is also seen in the possibility of choice that you are given.

BI-XENON PROJECTOR HEAD LAMPS

17" ALLOY RIMS

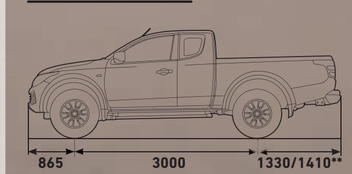
REAR VIEW CAMERA

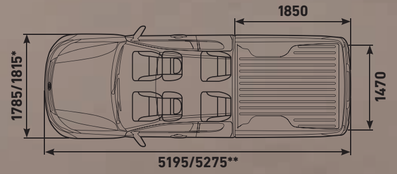
FULL CAPACITY

IT SHOULDERS EVEN THE BIGGEST ENTERPRISES.

Rugged, reliable and useful down to the finest detail because that is what you look at when you assess a work vehicle. **FULLBACK** offers you up to one tonne of loading capacity and a **CARGO BED UP TO 1.85 M LONG** in the extended cab version. Its overall dimensions **(5.2 M LONG, 1.8 M WIDE)**, also make Fullback the ideal pick-up for your everyday lifestyle.
Even after work.

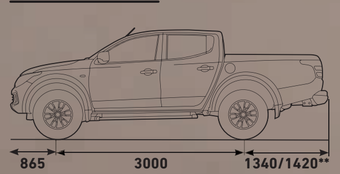
EXTENDED CAB VERSION

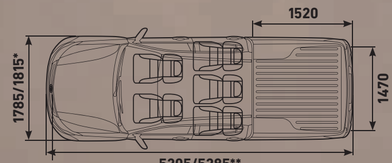


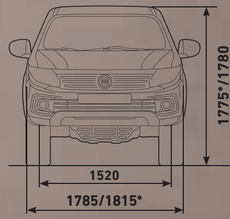


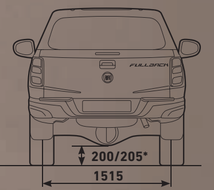
* SX/LX ** WITH BUMPER

DOUBLE CAB VERSION









FULL

COMFORT

DISCOVER THE PLEASURE OF WORKING HARD.

We at Fiat Professional know how much time you spend in your work vehicle. That is why we have made **FULLBACK** so comfortable and welcoming. To make sure that you never get tired of using it, not even when your working day has come to an end. Nothing is left to chance: **ERGONOMIC SEATS**, **SPACIOUS INTERIORS THAT ARE PERFECTLY AIR-CONDITIONED AND SOUNDPROOFED** and a driving position with optimal visibility. Everything is built to make it even more comfortable.
Yours.

FULL TECHNOLOGY

INNOVATION. ANOTHER STRONG POINT.

In recent years, technology has revolutionised the world of work.
FULLBACK has not been left behind. Its equipment is all state of the art so you can always stay connected to your work, your customers and your appointments, at any time of day or night, wherever you go, and on any terrain. If work never stops, why should you?

TOUCHSCREEN RADIO WITH NAVIGATOR

User-friendly, beautiful to look at, practical to use. It is the navigation and radio control system with a large touchscreen available on Fullback.

REARVIEW CAMERA

The ideal tool for parking with ultimate ease and safety, even in the tightest of places.

BLUETOOTH®

Allowing you to answer incoming calls after seeing them on the touchscreen without ever taking your hands off the wheel or your eyes off the road.

CLIMATE CONTROL SYSTEM

You can choose Dual Zone Automatic Air Conditioner for more comfort.

USB CONNECTIVITY

Starting today you can listen to the music that you always carry with you in your player also on board Fullback by selecting it directly from the touchscreen or steering wheel controls.

KEY-LESS ENTRY SYSTEM

By just keeping the key in your pocket and simply pressing a button, you can open and close the doors from the outside and start the engine from the inside.

FULL POWER

YOU CAN ALWAYS COUNT ON IT.

MANUAL TRANSMISSION

AUTOMATIC TRANSMISSION

When the road gets tough is when **FULLBACK** delivers its very best and starts to make the difference. Its strength lies in its rugged and flexible chassis and in its engines, which are more reliable, efficient and powerful than ever. Fullback is powered with **AN ALL-ALUMINIUM ENGINE**.

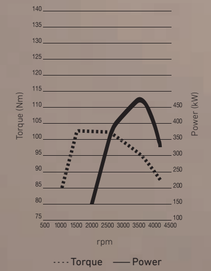
It is a **2.4 LITRE DIESEL** engine and is available in the **150 HP** or **180 HP** versions, with a **TOWING CAPACITY of up to 3100 KG**. Fullback is also fitted with both the **MANUAL 6-SPEED TRANSMISSION** and the **5-SPEED AUTOMATIC TRANSMISSION**.

The ideal is what you want. Fullback also ensures you will get extremely low fuel consumption and CO_2 emissions. In fact, both versions deliver all the power, torque and efficiency demanded of every pick-up.

DIESEL 2.4 150 HP

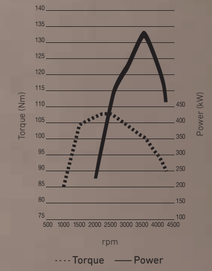
Displacement: 2.442 cm^3
Emissions standard: Euro 6
Power: 150 HP @ 3.500 rpm
Torque: 380 Nm @ 1.500/2.500 rpm
Injection: Common Rail direct
Traction: 2WD or 4WD
Consumption* (l/100km): 6,9*/7.5**
CO_2 emissions* (g/km): 180*/196**

*MANUAL TRANSMISSION 4WD WITH START&STOP
**AUTOMATIC TRANSMISSION 4WD



DIESEL 2.4 180 HP 4WD

Displacement: 2.442 cm^3
Emissions standard: Euro 6
Power: 180 HP @ 3.500 rpm
Torque: 430 Nm @ 2.500 rpm
Injection: Common Rail direct
Traction: 4WD
Consumption* (l/100km): 6,9*/7,5**
CO_2 emissions* (g/km): 180*/196**

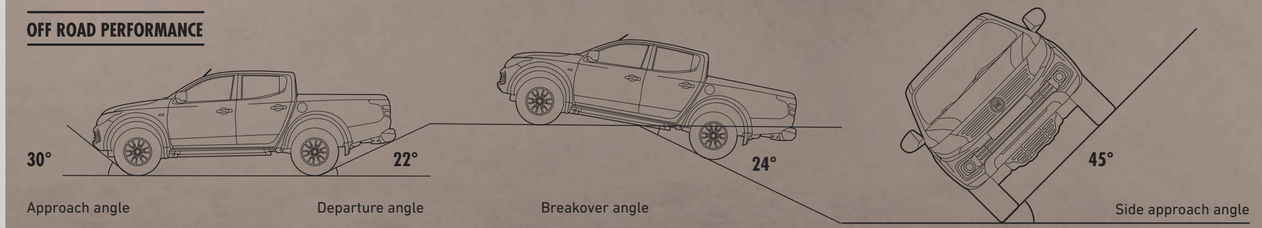


FULL TRACTION

ALWAYS READY TO GO. OFF-ROAD

FULLBACK is created to be the linchpin of your team. On all terrains. Merit for this goes to its **4WD** , today even more efficient and easy to control with the exclusive **4WD ELECTRONIC SELECTOR** to deliver maximum torque to each wheel, and the **DIFFERENTIAL LOCK** (central as standard equipment on LX versions, rear and optional on all other versions). A strength you'll find handy in your leisure time too, when it's time for a break from work.

OFF ROAD PERFORMANCE



4WD ELECTRONIC SELECTOR

2H C/D LOCK

2WD HIGH RANGE

Gives quieter running and better fuel consumption during normal on-road driving.

4H C/D LOCK

4WD HIGH RANGE

Selectable at speeds up to 100 Km/h, distributes torque between front and rear axles via a centre differential (CD) the latter permits safer on-road driving in slippery conditions.

4HLC C/D LOCK

4WD HIGH RANGE WITH CD LOCKED

Centre differential locked power is evenly distributed between front and rear wheels, improves traction and manoeuvrability on snow, sand or dirt roads.

4LLC C/D LOCK

4WD LOW RANGE WITH CD LOCKED

Lowered gear ratio provides greater torque for extreme off-road conditions: Climbing and descending steep inclines and powering through deep snow, mud and sand.

FULL SAFETY

SAFETY IS A GUARANTEE.

FULLBACK is equipped with a wide range of safety devices designed to guarantee maximum protection and safety of the driver and passengers.
REINFORCED SUSPENSIONS AND BODYSHELL, 7 AIR BAGS (ON DOUBLE CAB) AND PRE-TENSIONERS. What's more, Fullback offers you the **HILL HOLDER** system for starting off easily even on an uphill road. That is because among all your work tools, safety cannot be lacking. Never.

AIRBAGS

In case of an accident, the 7 airbags with which Fullback (double cab) is fitted contribute to absorbing the impact when opening. In addition to the front airbags, there are also the side and curtain airbags plus one at the driver's knees.

PRE-TENSIONERS

In the case of front impact, the pre-tensioners automatically tighten the seat belts around the driver and passengers to minimise any impact with the opening of the front airbags.

REINFORCED BODYSHELL

The bodyshell was built with many components in special lightweight steel and with high tensile strength while keeping the safety level unaltered.

SUSPENSION

The front suspension with double A-arm and stabilizer bar ensure excellent stability both on and off the road.
The rigid rear axle with elongated multi-layer leaf springs withstand the maximum stresses of the road surface and ensure stability and comfort, whether empty or with a full load.

SPEED LIMITER

The adjustable Speed Limiter helps you not to exceed the speed you have pre-set.
If this happens, a visual signal associated with an auditory signal warns you and prompts you to brake.

TSA

The Trailer Stability Assist system guarantees perfect stability even when towing. If the vehicle skids, the TSA automatically modulates the engine's power and the braking force on each wheel to give stability back to the vehicle and its trailer.

LDW

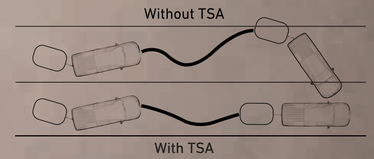
When travelling at speeds of over 65 km/h, the Lane Departure Warning system automatically warns you when the vehicle is dangerously veering from the lane with both visual and acoustic signals.

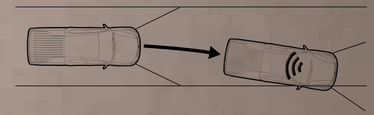
ESC

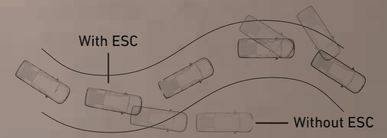
The Electronic Stability Control offers you exceptional grip and stability by independently managing the braking force on the wheels when taking a curve. It prevents the wheels from skidding, minimises the risk of the vehicle skidding and guarantees perfect traction in all conditions.

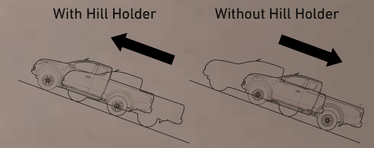
HILL HOLDER

Hill Holder is ideal for uphill with ultimate ease, even with a full load. It automatically blocks the vehicle for several seconds without you having to press the brake pedal.









FULL VERSATILITY

MAKES WAY FOR ALL YOUR NEEDS.

There is another field in which Fullback is unbeatable: versatility. Fullback has been expressly designed to offer you the most solutions. By adapting its cargo bed and cabin to your requirements, Fullback can play any role you and your work may need. Turn the page to see what it is capable of.

REFRIGERATED BODY*

*** Examples of vehicles not converted by the manufacturer**

Fullback Refrigerated Body is the ideal vehicle for daily distribution of frozen foods at cold temperature. The cold is accumulated while parking at night by an electrically operating refrigeration unit that freezes an eutectic solution contained in plates or tubes arranged inside the body. By defrosting the eutectic solution releases the previously accumulated cold for approximately 10 hours of service with an outside temperature of +30°C.

ROAD ASSISTANCE*

Specific roadside rescue workshop outfit of the rear part of the vehicle for transporting equipment and towing a vehicle using a forklift.

MOBILE WORKSHOP*

Fullback Mobile Workshop is a modular and reconfigurable outfit consisting of a transport system for equipment and spare parts fitted onto the chassis of Fullback to provide maintenance services on the field. The three elements of the module can be combined and equipped according to needs. The aluminium section bar structure is complete with synthetic material elements.

FULL CARE

ALL SUPPORT TO YOUR NEEDS.

FULLBACK is not just a work vehicle. It is also the vehicle that connects you to the large **FIAT PROFESSIONAL** network that is widespread, efficient and always willing to meet your needs and requirements.
In short, choosing **FULLBACK** also means climbing on board a world of full-range services. Because Fiat Professional knows that work never stops.

VEHICLE WARRANTY

Purchasing your new Fiat Professional commercial vehicle, it will be included a 3 years Warranty (unlimited kilometers for first two and up to 100.000 km for the third) from the delivery date. The Warranty ensures coverage for the vehicle against manufacturing defects, which will be resolved free of charge using original or reconditioned parts.
Operations under Warranty are carried out by Fiat Dealerships and include:
• repair or replacement of the faulty component;
• manpower needed for the replacement or repair;
• supply of consumable materials needed to carry out the repair under Warranty.
You have the benefit of roadside assistance for the duration of the Warranty.

Paintwork Warranty
The vehicle is guaranteed against manufacturing defects in the paintwork for a period of 36 months from the handover date. The Warranty provides for the total or partial repainting of the vehicle to eliminate any ascertained fault, according to the Manufacturer's standard conditions.

Perforating Corrosion Warranty
The structural elements of the vehicle bodywork are guaranteed against perforation caused by corrosion, when it occurs from the inside out. The Warranty provides for the repair and/or replacement of any original, bodywork structural element damaged by perforating rust and is valid for eight years from the handover date.
Please check the specific conditions of the coverages in your warranty booklet.

CUSTOMER CARE CIAO FIAT

You can contact Fiat Professional by calling the dedicated Toll Free Number 0080034280000* reachable from most European countries. We are at your disposal to provide Road Assistance services, active 365 days a year, 24 hours a day. By contacting Fiat Professional Customer Care you can also request info on our models, services, dealer network and, lastly, book a test drive on a vehicle of your choice. Fiat is at your disposal to satisfy every necessity or request linked to the use of your vehicle or our assistances services.

FULL

RANGE

A PRO LIKE YOU.

Recognizing a real pro is simple: just look at the equipment he has chosen for himself. Real pros work with pro tools only. That's why **FIAT PROFESSIONAL** is the best partner you could have, whatever your needs are. Its full **RANGE IS THE FIRST AND ONLY ONE BRANDED "PROFESSIONAL"** and it has been especially designed for specific purposes: yours.

FIORINO

The vehicle that invented the category. Unequalled in agility and capability. Cities love it.
And so do the pros.

TALENTO

Agile, capable and ingenious. It's got the unique talent of transforming problems into solutions and challenges into opportunities. Day by day.

DUCATO

It's the undisputed leader in the world of work: the ground it's based upon. Strong, versatile and indispensable to everyone.

FULLBACK

There's no terrain that can scare it. There's no challenge it can't win. At work. And after.

DOBLÒ

You couldn't ask for a better way to work.You couldn't ask for a better business card.
Simply unique. Just like your job.

THE ONLY ONE BRANDED PROFESSIONAL. BUILT TO WORK 24/7.
